Third Party Designee

You can now allow an employee or paid preparer to resolve certain tax issues with the IRS. See **Third Party Designee** on page 6 of the separate instructions for more information.

Threshold for Deposit Requirement Increased to \$2,500

Beginning with your 2001 Form CT-1, if your total taxes for the year (line 18) are less than \$2,500, you are not required to make deposits. You may pay the total taxes with Form CT-1.

Instructions

Complete the **Monthly Summary of Railroad Retirement Tax Liability** below only if you were a **monthly** schedule depositor for the entire year. Enter your Tier I and Tier II taxes and the supplemental annuity work-hour tax incurred on the lines provided for each month. Enter the special supplemental annuity tax (Forms G-241) on the line provided in the 3rd month of each quarter.

If you were a **semiweekly** schedule depositor during any part of the year or you accumulated **\$100,000** or more on any day during a deposit period, you must complete **Form 945-A**, Annual Record of Federal Tax Liability. Do not complete the monthly summary below.

On Form 945-A for each payday, enter the sum of your employee and employer Tier I and Tier II taxes on the appropriate line. Enter your monthly supplemental annuity work-hour tax on the "ST" line for each month on Form 945-A. Enter your special supplemental annuity tax from Forms G-241 to the right of the monthly title of the 3rd month of each quarter just above line 17, and write "SST" to the left of this title just above line 1. Total the amounts for the months from lines A through L, including the "ST" and "SST" amounts. Enter the total on line M, Form 945-A.

The total tax liability for the year (line V below or line M on Form 945-A) should equal the total taxes for the year (line 18, Form CT-1). Otherwise, you may be charged a penalty for not making deposits of taxes.

Note: See the separate instructions for the deposit rules for railroad retirement taxes.
